📅 June 04, 2001    ✉ [hgaur491@gmail.com](mailto:hgaur491@gmail.com)    📞 9310745921

Dynamic and skilled Front-End Developer proficient in React-js HTML, CSS, JavaScript (including ES6), Fetch API , jQuery DOM, Git/GitHub, and UNIX CLI. Experienced in React, Node.js, Express.js, and Embedded JS, utilizing NPM for streamlined development. Knowledgeable in MongoDB for efficient database management. Collaborative team player with strong problem-solving and critical thinking abilities. Detail-oriented and organized, consistently delivering high-quality work. Effective communicator with fluency in English and Hindi, facilitating smooth collaboration in multicultural environments. Committed to staying updated with industry trends and technologies.

I am eager to apply my skills and to contribute to innovative web projects, learn from experienced professionals, and grow as a valued member of a dynamic development team.
